2 Unpresented cheques £33.55 Gwenno Owen and £3.70 Sarah Wynne

Bank Balance is £2547.89.

Cais am wariant gan yr ysgol/*Request for spending from school.*

Glenda explained that MrE wants to ensure that PTFA funds are used for the benefit of the children and the community.

A Chrome book has already been purchased utilising a pupil grant to replace a broken one and school has received a donation from Llanfair Community Council of £450 towards the purchase of a further two. PTFA may be approached in the future to cover cost of further purchase if Welsh Government funds are not forthcoming.

Health & Safety Inspection of play equipment was completed just after flooding in the school field and it has been highlighted that slabs are now visible again under the slide and needs topping up. Glenda has negotiated a 15% discount on 1000m² bag from Dandy's bringing cost to £127.46 with free delivery. Committee passed that they are happy for purchase to be made from PTFA funds. Lydia kindly volunteered herself and Andy to undertake the work.

School Sign at Llysfael crossroads. In order to advertise the presence of Ysgol Pentrecelyn MrE is eager to have a sign placed at the crossroads. Humphreys Signs in Denbigh have been approached to cost construction of the sign and have returned with a quote of £280&VAT for a double sided sign and pole. Due to planning restrictions sign cannot be placed on the crossroads existing sign but Llysfael College have kindly agreed that sign can be placed by the metal fence in their field on the Ruthin and school side of the crossroads. Committee happy for PTFA to cover this cost. School will need to find someone to erect sign.

Trafod y grant Melin Wynt sydd ar gael/*wind farm Grant application.*

Pentrecelyn falls under the Clocaenog Wind Farm Grant scheme which is controlled by Conway Voluntary Services. Application for this grant must show a community benefit and cannot be for school use only. Committee member present did not have any preference for a scheme and were happy for Glenda to investigate further if schools proposal for an outside classroom which could be used for Clwb Ti a Fi, Clwb Darllen a Sgwrs and the wider community outside of school hours could be funded. Quotes are to be obtained. Glenda is to investigate whether planning will be required and discuss matter further with CVSC.

Codi arian/Fund raising.

Committee were eager that once Covid restrictions allow fund raising and school socialising can restart with a priority given to way of new parents to the school being able to get to know existing families.

Lydia is going to look into the Tesco Blue Token scheme with a view to raising funds for equipment for After school Club.

A sponsored litter pick was suggested and also a possibility of making an application to 'Project Pum Mil' on S4C.

Unrhyw fater arall/*Any other business.*

Committee requested a copy of the school flyer in PDF format so they could print and distribute in the area.

Cynhaliwyd a Chofnodwyd y cyfarfod yn Saesneg er mwyn sicrhau fod pawb yn gallu mentro barn.
