

It has been wonderful to welcome children back to school and see many smiling faces as they start in Eithin Class. Hopefully this letter will give you more information about the term, but if you have any questions, please ask in person or by email.

HOME-LEARNING

Hwb/J2e In Key Stage 2 we use the J2e app which is in your child's Hwb account for a number of language and theme tasks. Any **homework** in addition to reading every weekend as well as practicing tables and spelling on J2blast will be set on J2homework. If you have any problems using it, please let us know and we will be happy to help. REMEMBER also about **MATHS FACTOR**.

Reading Books - A reading bag will be sent home on Wednesday afternoon as homework. Please remember to remind the children to bring it back on Monday morning, as we are also reading in class.

Snack - During the morning before playtime the children of Eithin Class will have a snack. A variety of fruit from a local shop will be offered to the children. We kindly ask you for a contribution of £1 per week, paid on 'Parent Pay'.

Water bottles - Each child will receive an Ysgol Pentrecelyn water bottle to keep in class. They will be able to drink water independently during the day. Any bottles from home will be kept in their bag for play times.

Themes - Our theme this term is **Seas and Mountains**. We will look at the local area to begin with, then move on to the rest of Wales and the world. We will also focus on strategies to help them improve their own work and will work on place value and the number system in Numeracy.

Class Dojo - We will reward every child using the Dojo system. At the end of each week during the School assembly, one child from each class will be awarded as Dojo champion of the week.

PE - An exercise session will be held on Thursday afternoon. All children will need to come to school in suitable attire (tracksuit or shorts, T-shirt and trainers) on Thursday morning.

Fantastic Friday - As a School we believe that offering diverse experiences to children is very important. So every Friday afternoon, we will offer a host of exciting activities for them. We kindly ask the pupils to ensure that suitable shoes such as wellingtons are left here in the School, so that we can make the most of the natural forest School and the community.

We use Twitter and Facebook to share news with parents - Ysgol Pentrecelyn.

The school's website also contains a lot of School information, and this is where you can download the school's app to find out about whole school news.
